ROYAL COMMISSION.

T. R. McINNES.

PROVINCE OF BRITISH COLUMBIA.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the Colonies and Dependencies thereof, QUEEN, Defender of the Faith, &c., &c., &c.

COMMISSION.

To the Honourable GEORGE ANTHONY WALKEM, one of Her Majesty's Justices of the Supreme Court of British Columbia:

WHEREAS by an Order in Council, approved on the 13th day of May, 1898, it was directed that a Commissioner be appointed for the purpose of holding an inquiry to ascertain the truth as to the allegations contained in a certain editorial appearing in the issue of the Victoria Daily Times published on the 11th of May instant, which is in the words following:—

"CAN THESE THINGS BE?

"It would be very interesting to learn how much truth there is in the grave accusations that are being made regarding the rottenness of the Lands and Works Department, especially regarding a certain important branch of the same. It is alleged that if those having business in that Department wish to have that business expedited, they must 'see' an official about it and pay a fee for which there is no provision in Statutes or regulations. Several instances, said to be well authenticated, are related where sums varying from ten to fifty dollars have been paid over to get the particular business of the payers hurried forward. It would also be interesting to find how much ground there is for the statement that if one wishes the slightest

information at that Department, the officials must be 'seen beforehand'."

So far as the matters therein alleged affect the good government of the Province, or the conduct of public affairs therein in the Lands and Works Department:

And whereas by the said Order in Council it was directed that the Honourable Mr. Justice Walkem be appointed a Commissioner to inquire into the above matter:

NOW KNOW YE, that reposing especial trust in your loyalty, integrity and ability, We do hereby confer upon you, the said The Honourable GEORGE ANTHONY WALKEM, the power of making inquiry into all and every of the matters aforesaid, together with the power of summoning before you any party or witnesses, and of requiring them to give evidence on oath, orally or in writing, or on solemn affirmation (if they be parties entitled to affirm in civil matters), and to produce such documents and things as you may deem requisite to the full investigation of the matters aforesaid, and We empower and direct you, the said Commissioner, to report the facts found by you in writing to Our Lieutenant-Governor of Our said Province of British Columbia, immediately or as soon as conveniently may be after you shall have concluded such inquiry, and that you do and perform all those matters and things in and about the taking of the said inquiry as by law in that behalf you are authorised to do.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the Province to be hereunto affixed: WITNESS, the Honourable THOMAS R. McINNES, Lieutenant-Governor of Our said Province of British Columbia, in Our said City of Victoria, this thirteenth day of May, in the year of our Lord one thousand eight hundred and ninety-eight, and in the sixty-first year of Our Reign.

By Command.

JAMES BAKER,

Provincial Secretary.

In the *BRITISH COLUMBIA GAZETTE*, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

All of the said land sought to be so acquired east of the Canadian Pacific Railway Company's right of way is in said Lot 423, Group 1, Kamloops Division of Yale District, but does not form part of the said Townsite of Ashcroft.
